Mini Biography

American **superstar** Michael Jackson was born in Gary, Indiana, on August 29, 1958, and **entertained** audiences nearly his entire life. By the early 1960s, the older boys Jackie, Tito and Jermaine had begun performing around the city; by 1964, Michael and Marlon had joined in.

A musical **prodigy**, Michael's singing and dancing talents were amazingly mature, and he soon became the dominant voice and focus of The Jackson 5. As a product of the 1970s, the boys emerged as one of the most accomplished black pop/soul vocal groups in music history.

Solo success for Michael was inevitable, and by the 1980s, he had infinitely more popular than his brotherly group. Record sales consistently orbited, culminating in the biggest-selling album of all "Thriller" in 1982 with sales estimated by various sources as somewhere between 65 and 110 million copies worldwide. A TV he ventured rather uneasily into films

become
time,
natural,

In the 1990s, Michael grew terribly child-like, his physical appearance began to change drastically, and his behavior grew alarmingly bizarre, making him a consistent target for scandal-making, despite his numerous charitable acts.

Michael Jackson was a true humanitarian. In his lifetime, he was listed in the 2000 edition of the **Guinness Book of World Records** for breaking the world record for the "Most Charities Supported by a Pop Star." He had supported 39 charities. He truly cared about people suffering leukemia, aids, cancer. He donated millions of dollars to the Michael Jackson Burn Center for Children. In 1986, he set up the "Michael Jackson United Negro College Fund Endowed Scholarship Fund".

Despite it all, Michael Jackson's passion and artistry as a singer, dancer, writer and businessman are unparalleled, and it is these prodigious talents that will ultimately prevail over the extremely negative aspects of his seriously troubled adult life.

it all to end on June 25, 2009, with his sudden death at age 50 of drug-induced cardiac attack, seems uncommonly cruel and tragic. Millions upon millions of dedicated fans will remember where they were "the day Michael died".
